# **HISTORY**

## **Café Ritter Ottakring**

Since 1907, Café Ritter Ottakring has been inviting its guests to experience one of the classic Viennese art nouveau coffeehouses.

For years, the football legend  
Ernst Happel  
played cards with his friends here, in his “second living room”.

After 110 years, Café Ritter was taken over by  
new management and carefully renovated.

Café Ritter Ottakring  
reopened on 13 December 2016  
and again warmly welcomes its guests.

We are pleased to offer you an extensive selection of Austrian and international newspapers and magazines, as well as selected coffeehouse literature and children's books for our young guests.

We offer you Wi-Fi at no cost and with no time limitations.  
Name: CafeRitterGast / Password: CafeRitterGast

Our guests also have the opportunity to play carom billiards.  
Prices for carom billiards:  
€5 per hour until 6 p.m. - €8 per hour after 6 p.m.  
Children and youth pay half price.

You can book our Viennese coffeehouse for events of any kind.  
Please contact us at [office@caferitterottakring.at](mailto:office@caferitterottakring.at).

We offer coffee, food, cakes, and our house wine to take away as well.  
Café Ritter gift vouchers are also available.

If you need assistance at the entrances, please ring the bell at the right of the main entrance and we will be right there to help. For strollers and wheelchairs, we recommend using the side entrance on Lambertgasse.

For information about ingredients in our food that can trigger allergies or intolerances, please ask a member of our staff.

**We have been awarded the AMA Restaurant Seal of Approval for the fresh preparation of our food and the use of regional raw ingredients.**

**Beef, pork, and all other meat and sausage products:**

Gissinger Fleischspezialitäten, Ottakringer Straße 140, and Fleischerei Klaghofer, Rankgasse 25, both located in Vienna's 16<sup>th</sup> district.

**Milk and milk products:** all from Austria with the AMA Seal of Approval

**Eggs:** from organic, free-range farms here in Austria

**Weinviertel chips** (French fries): Frisch & Frost GmbH, Hollabrunn

**Potatoes, onions, carrots, cabbage, and apples:** from Austrian farms

**Lettuce, cucumbers, tomatoes:** from Vienna's "Genuss Region"

**Char:** from regional waters

**Quality Viennese wines:** Christ, Cobenzl (City of Vienna), Edelmoser, Zahel

**Naturally cloudy organic apple juice:** Meinklang GmbH, Pamhagen

This food and beverage menu features outstanding products and dishes made with first-rate regional and seasonal ingredients, many of which come from right here in the 16<sup>th</sup> district. We use exclusively organic eggs, organic milk, and organic butter from Austria.

Even our mayonnaise is made in-house with organic eggs. The French salad accompanying the egg mayonnaise, our chutney, the vegan avocado spread, the hazelnut cream, and the Bircher muesli are also all made right on the premises.

Our jams, honey, and cranberries come from Staud's and our coffee from Meinl, both in Ottakring.

Our beverages are also largely "homegrown":

Ottakringer beer, Burschik's Vermouth (15<sup>th</sup> district), Wien Gin (21<sup>st</sup>), Waldviertel Whisky and Vodka, all i need (17<sup>th</sup>), WieBitter (3<sup>rd</sup>), and more.

Instead of prosecco we offer secco white & frizzante rosé from the Weinviertel region.
